Report on the Financial Statements
We have audited the accompanying financial statements of Alliance of Disability Advocates (a nonprofit organization), which comprise the statements of financial position as of September 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Alliance of Disability Advocates as of September 30, 2021 and 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Adoption of ASU 2014-09
As discussed in Note A to the financial statements, Alliance of Disability Advocates adopted FASB Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers (Topic 606).* Our opinion is not modified with respect to this matter.

Independent Auditors' Report--Continued

Other Matters

Other Information
Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards
In accordance with *Government Auditing Standards,* we have also issued our report dated January 20, 2022, on our consideration of Alliance of Disability Advocates' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Alliance of Disability Advocates' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Alliance of Disability Advocates' internal control over financial reporting and compliance.

NET CHANGE IN CASH AND CASH EQUIVALENTS	(68,011)	8,217
Cash and cash equivalents, beginning of year	98,992	90,775
CASH AND CASH EQUIVALENTS, END OF YEAR	$ 30,981	$ 98,992

SUPPLEMENTAL NONCASH OPERATING ACTIVITIES

During the years ended September 30, 2021 and 2020, the Organization recognized contributed services totaling $23,283 and $22,866, respectively, for services received from third parties based on the fair value of comparable services. These amounts are shown in the statement of activities and changes in net assets as other income, along with the related expenses.

See accompanying independent auditors' report and notes to financial statements.

Notes to Financial Statements

Alliance of Disability Advocates

Years Ended September 30, 2021 and 2020

NOTE A -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Organization: Alliance of Disability Advocates formerly known as Universal Disability Advocates d/b/a Alliance of Disability Advocates, Center for Independent Living ("ADA" or the "Organization") was formed to expand upon and respond to the needs and requests of individuals with disabilities within the target population: Orange, Durham, Wake, Franklin and Johnston Counties of North Carolina. Through the Organization, the independent living philosophy of dignity and consumer control shall be promoted and practiced. This philosophy along with self-help and self-advocacy; development of peer relationships and peer role models; and equal access of individuals with cross disabilities to society and to all services, programs, activities, resources, and facilities shall be practiced and promoted with all consumers.

Basis of Accounting: The Organization's financial statements are prepared on the accrual basis of accounting, whereby income is recognized when earned and expenses are recognized when incurred. This basis of accounting conforms to U.S. generally accepted accounting principles.

Adoption of ASU 2014-09: Effective July 1, 2020, the Organization adopted Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers (Topic 606)*, using the modified retrospective method of transition. The core principle of the guidance in ASU 2014-09 is to recognize revenue when promised goods or services are transferred to customers in an amount that reflects the consideration expected to be received for those goods or services. The standard also requires additional disclosures related to contracts with customers. The adoption of ASU 2014-09 resulted in no changes in revenues recognized for the year ended September 30, 2021.

Net Assets: The Organization's net assets have been grouped into the following classes:

Net Assets Without Donor Restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization.

Net Assets With Donor Restrictions: Net assets subject to restrictions imposed by donors and grantors. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature, such as those that require resources to be maintained in perpetuity. When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions. Refer also to *Note I--Net Assets With Donor Restrictions.*

Recognition of Support: The Organization evaluates contributions, contracts, and grants to determine whether the transfer of assets is (1) an exchange transaction in which a resource provider is receiving commensurate value in return for the resources transferred, or (2) a contribution. If determined to be an exchange transaction, revenue is recognized in accordance with ASC Topic 605. If the transfer of assets is determined to be a contribution, the Organization evaluates whether the contribution is conditional based on whether the agreement includes both (1) one or more barriers that must be overcome and (2) either a right of return of assets transferred or a right of release from the donor's obligation to transfer assets. Grants and contributions requiring a match are considered conditional until the match is satisfied, wholly or in part, as defined by agreement. Cost-reimbursement grants are considered conditional until qualifying expenditures are incurred. Event sponsorships are considered conditional until the event is held. Amounts received in advance of conditions being met are included in deferred support in the statement of financial position. Support from unconditional grants and contributions is recognized as an increase in either net assets without donor restrictions or net assets with donor restrictions, based on the absence or presence of any donor-imposed restrictions.

NOTE A -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES -- Continued

Donated Property and Equipment: Donations of property and equipment are recorded as contributions at their estimated fair value at the date of donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor.

Recognition of Revenue: The Organization recognizes revenue when performance obligations in an exchange transaction are satisfied. Revenue from service contracts is recognized as services are provided in an amount that reflects the consideration the Organization expects to be entitled to receive in exchange for those services. Amounts collected in advance are included in deferred revenue.

Cash Equivalents: The Organization considers all highly liquid investments having an initial maturity of three months or less to be cash equivalents. Cash and cash equivalents for purposes of the statements of cash flows exclude permanently restricted cash and cash equivalents.

Grants and Contracts Receivable: Receivables consist primarily of grant awards from federal and state agencies. The Organization has provided no provision for uncollectible accounts since management believes all amounts are collectible. Receivables are scheduled for funding within a year and are primarily unsecured.

Property and Equipment: Fixed assets are stated at cost or, if donated, at the approximate fair value at the date of donation. It is the Organization's policy to capitalize expenditures for fixed asset items in excess of $5,000. Lesser amounts are expensed. Depreciation is computed using the straight-line method based on the following estimated useful lives:

Furniture and equipment	5-7 years
Leasehold improvements	15 years

Property and equipment are reviewed for impairment if the use of the asset significantly changes or another indicator of possible impairment is noted. If the carrying amount for the asset is not recoverable, the value is written down to the asset's fair value.

Leases: For lease agreements that provide for escalating rent payments or free-rent occupancy periods, the Organization recognizes rent expense on a straight-line basis over the noncancelable lease term. Deferred rent is included in liabilities on the statement of financial position.

Contributed Services: The Organization recognizes the fair value of contributed services received if such services a) create or enhance nonfinancial assets or b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not contributed. During the years ended September 30, 2021 and 2020, the Organization recognized contributed services totaling $23,283 and $22,866, respectively, for contributed services received from third parties based on the fair value of comparable services. These amounts are shown in the statement of activities and changes in net assets as other income, along with the related expenses.

NOTE A -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES -- Continued

Functional Expenses: The Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expense classification. Certain indirect expenses are allocated to program and support services based on estimated usage and/or estimated benefit.

Tax Status: The Organization is a not-for-profit exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and the applicable state tax statutes. Therefore, no provision for federal or state income taxes has been made in the financial statements. In addition, the Internal Revenue Service has determined that the Organization is not a private foundation within the meaning of Section 509(a) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(2)(a). The Organization had no income subject to taxation as unrelated business income for the years ended September 30, 2021 and 2020.

The Organization evaluates its uncertain tax positions using provisions of Financial Accounting Standards Board Accounting Standards Codification (ASC) 740-10-25, *Recognition of a Tax Position.* Accordingly, it is the Organization's policy to record a liability for any tax position taken that is beneficial to the Organization, including any related interest and penalties, when it is more likely than not the position of management with respect to a transaction or class of transactions will be overturned by a taxing authority upon examination. Management believes there are no such positions as of September 30, 2021 or 2020. Tax years subsequent to 2017 remain subject to examination by major tax jurisdictions.

Fair Value of Financial Instruments: The carrying values of cash equivalents, receivables, accounts payable, and other accrued liabilities is considered by management to approximate fair value of such at September 30, 2021, based on the short-term maturity of these financial instruments.

Use of Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the use of management's estimates. These estimates affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Upcoming Adoptions of New Accounting Standards: In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842).* The guidance in this ASU supersedes the leasing guidance in Topic 840, *Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the income statement. The new standard is effective for fiscal years beginning after December 15, 2021, as most recently deferred by ASU 2020-05. A modified retrospective transition approach is required for lessees for capital and operating leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements, with certain practical expedients available. Management is currently evaluating the impact of the adoption of the new standard, including amendments thereto, on future financial statements.

NOTE B -- AVAILABILITY AND LIQUIDITY OF ASSETS

The following reflects the Organization's financial assets as of the statement of financial position date, reduced by amounts not available for general use because of certain donor-imposed restrictions and cash held in agency.

	September 30, 2021	2020
Financial assets at year-end (cash and receivables)	$ 175,360	$ 153,086
Less those unavailable for general expenditures within one year, due to:		
Net assets with donor-imposed purpose restrictions	(9,558)	(21,375)
Financial assets available to meet cash needs for general expenditures within one year	$ 165,802	$ 131,711

The majority of net assets with donor-imposed restrictions are expected to be funded and expended within one year in connection with the Organization's ongoing program services. As part of the Organization's liquidity management, it invests cash in excess of short-term requirements in an interest-bearing account with a bank.

NOTE C -- CONCENTRATION OF CREDIT RISK

The Organization maintains cash balances at financial institutions located in Raleigh, North Carolina. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to $250,000. At September 30, 2021 and 2020, the Organization's cash balances were fully insured.

NOTE D -- MAJOR GRANTS

The Organization performed work under three major grants which together accounted for approximately 75% and 81% of total revenue and support for the years ended September 30, 2021 and 2020, respectively. Support earned and grant receivables from these grants were as follows:

	2021 Support	Percentage of Support	Grant Receivables at September 30, 2021	Percentage of Grant Receivables
Grantor A	$ 384,945	27%	$ 12,366	9%
Grantor B	321,228	23%	35,567	25%
Grantor C	351,857	25%	4,472	3%
	$1,058,030	75%	$ 52,405	37%

	2020 Support	Percentage of Support	Grant Receivables at September 30, 2020	Percentage of Grant Receivables
Grantor A	$ 450,927	45%	$ 5,358	11%
Grantor B	289,290	29%	20,238	41%
Grantor C	69,412	7%	8,610	18%
	$ 809,629	81%	$ 34,206	70%

NOTE E -- CONDITIONAL PROMISES TO GIVE

At September 30, 2021 and 2020, the Organization was due $391,859 and $1,091,144, respectively, from grantors. Receipt of these funds is conditional upon using the funds for allowable expenses. These grants are identified as cost reimbursement grants and the amounts are not recorded in the financial statements until the conditions which have been placed upon them have been met.

NOTE F -- PROPERTY AND EQUIPMENT

The following is a summary of property and equipment as of September 30:

	2021	2020
Furniture and equipment	$ 40,137	$ 40,137
Leasehold improvements	1,000	1,000
	41,137	41,137
Less: Accumulated depreciation	(30,807)	(22,789)
Total	$ 10,330	$ 18,348

Depreciation and amortization expense approximated $8,000 for 2021 and 2020.

NOTE G -- RENT

The Organization conducts its operations from office space leased under a noncancelable operating lease expiring in May 2022.

In addition, the Organization is leasing additional office space under a noncancelable lease expiring in July 2022.

Future minimum lease payments under leases in effect at September 30, 2021 for office space are as follows:

Year ending September 30:	
2022	$ 59,361
2023	0
2024	0
2025	0
2026	0
Thereafter	0
	$ 59,361

Rent expense amounted to $74,597 and $75,543 for the years ended September 30, 2021 and 2020, respectively.

NOTE H -- NET ASSETS RELEASED FROM DONOR RESTRICTIONS

Net assets with donor restrictions were released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of other events specified by the donors as follows at September 30:

	2021	2020
Caswell	$ 0	$ 601
Disaster preparedness	0	1,469
NCCDD match	7,500	0
Carolina sled hockey	7,669	0
	$ 15,169	$ 2,070

NOTE I -- NET ASSETS WITH DONOR RESTRICTIONS

Grants and other contract support are reported as with donor restrictions support until the program services for which the restrictions were imposed have been satisfied. Once the restrictions have been satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Net assets with donor restrictions are available for the following purposes at September 30:

	2021	2020
Caswell	$ 790	$ 790
Disaster preparedness	3,886	3,886
Consumer permanent housing	1,542	0
Carolina sled hockey	0	7,669
NCCDD match	0	7,500
Youth transition	3,340	1,530
	$ 9,558	$ 21,375

NOTE J -- COMMITMENTS AND CONTINGENCIES

COVID-19: On March 11, 2020, the World Health Organization declared COVID-19 a global health pandemic. The State of North Carolina operated under a "Stay at Home" order from March 27, 2020 to May 8, 2020 during which only *essential* service providers were permitted to have their employees continue to work on-site. The majority of schools in Wake County were closed from March 2020 to August 2020, with students being offered options to return to on-site and/or virtual classes beginning in September 2020.

The Organization closed its offices at the close of business on March 13, 2020 due to the pandemic. The Organization's employees continue to work remotely to provide program and support services to clients via phone, video conferences, and e-mail.

At the date on which the financial statements were available to be issued, the Organization's employees continue to work remotely and the State is working to ensure that every North Carolinian has access to a COVID-19 vaccine. Certain public health restrictions remain in effect to protect against the spread of the virus and its variants. Management continues to monitor the situation; however, the resulting impact of COVID-19 on the Organization's operations cannot be reasonably estimated at this time.

Financial awards from federal, state and local governmental entities in the form of grants are subject to special audit. Such audits could result in claims against the Organization for disallowed costs or noncompliance with grantor restrictions. The Organization currently has a pending audit outstanding with one of its grantors. Management believes the final resolution of the audit will not have a material effect on the financial statements. No provision has been made for any liabilities that may arise from audits since the amounts, if any, cannot be determined or are considered immaterial.

NOTE K -- SUBSEQUENT EVENTS

Management has evaluated subsequent events through January 20, 2022, the date on which the financial statements were available to be issued.

No additional significant subsequent events were identified by management.

Notes to Schedule of Expenditures of Federal Awards

Alliance of Disability Advocates

Year Ended September 30, 2021

NOTE A -- BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of Alliance of Disability Advocates (ADA) for the year ended September 30, 2021. Federal expenditures are presented on the accrual basis of accounting in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of ADA, it is not intended to, and does not present the financial position, changes in net assets, or cash flows of ADA.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and U.S. Department of the Treasury's guidance and FAQs published in the *Federal Register*, as applicable, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE C -- INDIRECT COST RATE

ADA has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

COMPLIANCE REPORTS

Independent Auditors' Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an
Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards*

Board of Directors
Alliance of Disability Advocates
Raleigh, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Alliance of Disability Advocates (a nonprofit organization), which comprise the statement of financial position as of September 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 20, 2022.

Internal Control Over Financial Reporting
In planning and performing our audit of the financial statements, we considered Alliance of Disability Advocate's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Alliance of Disability Advocate's internal control. Accordingly, we do not express an opinion on the effectiveness of Alliance of Disability Advocate's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters
As part of obtaining reasonable assurance about whether Alliance of Disability Advocate's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance
for Each Major Program and on Internal Control
Over Compliance Required by the Uniform Guidance

Board of Directors
Alliance of Disability Advocates
Raleigh, North Carolina

Report on Compliance for Each Major Federal Program
We have audited Alliance of Disability Advocate's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Alliance of Disability Advocate's major federal programs for the year ended September 30, 2021. Alliance of Disability Advocate's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility
Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility
Our responsibility is to express an opinion on compliance for each of Alliance of Disability Advocate's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Alliance of Disability Advocate's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Alliance of Disability Advocate's compliance.

Opinion on Each Major Federal Program
In our opinion, Alliance of Disability Advocates complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2021.

Report on Internal Control Over Compliance

Management of Alliance of Disability Advocates is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Alliance of Disability Advocate's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Alliance of Disability Advocate's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
